15 Watt Dimmable LED R/BR Lamp ENERGY STAR, 2700K. 925 lumens, 85W Halogen Replacement. Dimmable

Verbatim R-type LED lamps are designed as high quality, energy efficient replacements for halogen flood lamps. With a wider light distribution than PAR lamps and available in warm color temperature of 2700K, Verbatim R-type LED retrofit lamps are ideal for recessed-can and downlight applications in restaurants, hotels, commercial properties and residential settings. The frosted plastic cover hides the LED components, mimicking the look of traditional halogen downlights. ENERGY STAR qualified, this R-type LED lamp has an estimated lifetime of 40,000* hours, resulting in maintenance and replacement costs that are significantly lower than halogen lamps. Verbatim R-type LED lamps are fully dimmable and are backed by Verbatim's 5-year limited warranty.
